Judges

The Court orders that the writ of superintending control is GRANTED, and the circuit court's September 5, 2008 order removing J & J Bail Bonds Inc. and "the shareholders and any authorized agents of J & J Bail Bonds, Inc. and any other companies in which they or any of the agents have an interest" from the list of authorized sureties to post bail bonds for criminal defendants in the circuit is VACATED. The bases cited by the circuit court for the removal did not include any finding that J & J Bail Bonds Inc. had committed any violation of MCL 750.167b, and those bases, lacking as they were of any indication of moral or financial risk, were insufficient to warrant removal. *Calvert v Lapeer Circuit Judges*, 442 Mich 409, 410-414; 502 NW2d 293 (1993). This order shall have immediate effect.
